

Dear all,

I may be leaving my position as Lead CRA in Pediatric Oncology, but my heart will never let go of my passion for childhood cancer research.

I will be shaving my head (again!) on Thursday, October 3rd. I did this in 2017 with then-fellow Jenn Tsai, and it was such an amazing experience.

Please support my fundraising efforts for St. Baldrick's Foundation – any amount donated helps support researchers seeking cures and families whose kids have been diagnosed. Especially since it's September, which is Childhood Cancer Awareness Month, your donation is especially meaningful.

To help me meet my fundraising goal, please donate on my participant page:

<https://www.stbaldricks.org/participants/mypage/1030810/2019>

Please come and cheer us on at the event!

Tech Conquers Kids Cancer – St. Baldrick's head shaving event

Thursday, October 3rd – 4PM to 8PM

SAP Campus - 3410 Hillview Ave., Palo Alto, CA
