

Activities that may interest you during Shelter in Place

Have you seen any cool birds on your hikes lately and wondered what they are? Download one of these [apps](#) to find out. Or better yet, send Amanda Sullivan a Slack message with details and she can probably tell you!

Learn a new language with the [Duolingo](#) or [Rosetta Stone](#) app! Interested in having your whole team learn a new language? Why not set up a weekly Google hangout to practice!

If you have kids at home who are thinking about which college to attend why not have them check them out by taking a [virtual tour of the campus](#).

Take this time to virtually explore places around the world you would like to see like the [Great Sphinx in Egypt!](#)

If you even younger kids and had to cancel a summer trip to Disney take them on all of their [virtual rides!](#)

Take a virtual tour of a museum such as the [Smithsonian in D.C.](#) or the [Louvre in Paris](#).
